Exhibitor and Supporter Prospectus
ABOUT IASP

The International Association for the Study of Pain (IASP) works to support research, education, clinical treatment, and better patient outcomes for all pain conditions. For nearly 50 years, IASP has been a leading global authority on pain and continues to be the largest multidisciplinary association in the field of pain.

With more than 5,800 members representing 134 countries, 96 national chapters, and 24 Special Interest Groups (SIGs), IASP fosters the exchange of ideas and education to stimulate and support the study of pain and to translate that knowledge into improved pain relief worldwide.

ABOUT THE IASP WORLD CONGRESS

The IASP World Congress on Pain is the world’s largest gathering of pain professionals. This premier event brings together more than 6,500 scientists, clinicians, and healthcare providers from around the world and across pain disciplines. This 2022 event marks the 19th IASP World Congress on Pain.
Attendee Profile
The World Congress on Pain is the largest global pain event in the field, attracting *three times* more attendees than any other pain meeting.

Why Support the IASP World Congress?

- IASP World Congress programs cover the most innovative scientific updates and clinical practice in the field.
- More than 80% of surveyed exhibitors and supporters report achieving their goals after attending the IASP World Congress.
- IASP receives over 2,500 primary research abstracts at each World Congress, nearly 5 times more than any other pain meeting in the field.
- The event features a wide variety of learning opportunities including Plenary Lectures, Topical Workshops, Poster Sessions, Hands-On Workshops, Cadaver Labs, Refresher Courses, Symposia, and more!
- IASP’s interactive exhibition floor showcases products and services from more than 100 companies across the pain field.
- Coffee breaks, lunch breaks, and Poster Presentations scheduled in the exhibit hall provide five full hours of daily programming in the exhibition area.

Support Opportunities

Customized Support Opportunities

Position your company as a leader in the pain field by showcasing your latest products and discoveries to the world’s leading pain researchers, scientists, and healthcare providers.

Express your commitment to pain education, research, clinical management, and treatment throughout the world by becoming a Congress Supporter. Custom support packages are available. Contact: Sarah Wheeler, IASP Director of Global Industry Engagement (sarah.wheeler@iasp-pain.org) for details.

Symposia, Workshops, Labs, and Practical Workshops

Symposia (Concurrent)
Organize an expert breakfast session or lunchtime educational session on a topic of your choice. Please see individual descriptions below for further information.

Symposium (Exclusive)
Organize a unique session immediately following the opening ceremony of the IASP World Congress on a topic of your choice. Symposia must follow Symposium Guidelines. Please consult the website. See individual descriptions on the following pages for further information on pricing and packages.

Mini Symposia
Are you a smaller company with a limited budget? Mini Symposia are a new addition to the World Congress that allow smaller companies to have a voice. 15-minute presentation slots are allotted in one of the main session rooms. Mini Symposia are only available to companies who have an exhibit booth. For further information on eligibility, pricing, and availability, please contact: Sarah Wheeler (sarah.wheeler@iasp-pain.org).

Innovation Lab
Organize a seminar or product demonstration on a topic of your choice. Lab must follow Lab Guidelines on page 11. See individual descriptions below for further information on pricing and packages.

Hands-On Practical Workshop
Provide product support or educational materials and technical teams to facilitate hands-on practical workshops. For more information, contact: Sarah Wheeler (sarah.wheeler@iasp-pain.org).
Symposia, Workshop, and Lab Packages

Supporters should consider taking advantage of a symposium package. Purchasing a symposium package (B, C, D or E) with additional benefits will provide a greater cost savings than selecting support items individually.

GLOBAL DIGITAL EDUCATION SUPPORT INITIATIVE
IASP will be recording the majority of key World
Congress sessions as part of its global objective to
provide pain education worldwide. These sessions
will be available through IASP’s online Pain Education
Resource Center (PERC) following the Congress.
Interested in providing digital on-demand education
to your extended network around the globe? Contact IASP
details.
Companies who support this initiative will be provided
with a number of subscriptions to the portal to provide
as a benefit to their own networks. Companies will
also receive logo recognition on the portal outlining
their support for the education that will be seen by
the global audience that IASP serves. Subscription
amounts depend on other support provided. Make your
investment go further and join us.

IASP 2022 World Congress on Pain
Terms and Conditions

These terms and conditions represent the contractual agreement between the Organizer and the Exhibiting and/or Supporting Company.

EXHIBIT/SUPPORT BOOKING CONTRACT
Exhibit/Support participation at the World Congress on Pain will be considered only if submitted on the appropriate booking and contract form, properly completed. If a conditional pre-booking has been made and contract form signed, the booking becomes valid upon receipt of a confirmation email of the pre-booking. Allocation will be confirmed insofar as space is available. Applicants will be informed in writing of their final allocation(s). Exhibitor/Supporter will be bound by the Terms and Conditions listed in this prospectus. Any additional contract required by a company does not negate these Terms and Conditions.

RULES AND REGULATIONS OF BOOKING CONTRACT
Legal Obligation
Exhibitors: I understand that IASP, relying on my promise to pay for exposition space, will remove the space from the inventory that it has reserved with the Convention Center for use by exhibitors. I also understand that IASP, relying on the promise of exhibitors to pay for space, has agreed to pay the Convention Center for all space reserved for exhibitors, including space that is not used. I further understand that IASP’s reliance on my promise to pay creates a legal obligation on my part to pay the agreed-upon amounts, including applicable cancellation fees, as set forth herein.
Supporter: I understand that IASP, relying on my promise to provide support, will go forward and incur significant costs in preparation for the event. I understand that if I do not pay as promised that IASP will still have to pay these costs. I further understand that IASP’s reliance on my promise to pay creates a legal obligation on my part to pay IASP the agreed-upon amount, including applicable cancellation fees, as set forth herein.

EXHIBITION REGULATIONS
Exhibition Management, acting under direction of the IASP and the Congress venue regulations, has the final decision as to the acceptability of stands. Exhibitors are not to share with others any space allotted to them without prior written consent by IASP. The Organizer reserves the right to adjust the layout or limit the space allotted to each Exhibitor/Supporter, postpone the exhibition, or transfer it to another site if unforeseen circumstances warrant such action. Should any contingency prevent the holding of the exhibition, the Organizer will not be held liable for expenses incurred, other than the cost of exhibit space rental fees.

LIABILITY INSURANCE
Equipment and all related display materials installed by Exhibitors/Supporters are not insured by the Organizer, and the Organizer under no circumstances is liable for any loss, damage, or destruction caused to equipment, goods, or property belonging to Exhibitor/Supporter. The Exhibitor/Supporter agrees to be responsible for their property and person and for the property and persons of their employees and agents and for any third party who may visit their space through full and comprehensive insurance, and shall hold harmless the Organizer for any and all damage claims arising from theft and those usually covered by a fire and extended-coverage policy.

OBLIGATIONS OF THE EXHIBITOR/SUPPORTER
Booking implies full acceptance by the Exhibitors/Supporter Terms and Conditions. Any infringement of these regulations may lead to immediate withdrawal of the right to participate in the World Congress on Pain without compensation or refund of sums already paid, and without prejudice to the Exhibitor/Supporter. By submitting a booking form to participate, the Exhibitor/Supporter has made a final and irrevocable commitment to occupy the space allocated. The Exhibitor/Supporter may only present their stand or space the materials, products, or services duly represented by the company whose name appears on the booking form. No advertising on behalf of firms not exhibiting is permitted in any form whatsoever. Transfer or subletting of all or part of the allocated spaces is prohibited.

OBLIGATION OF ORGANIZER
The Organizer undertakes to allocate Exhibition space/support items on the basis of the company preference. In the case of limited allocation, allocation will be considered in order of receipt of booking form and, if necessary, the date of deposit payment. The Organizer reserves the right, in case of absolute necessity, to modify stands positions, with no obligation to provide compensation to Exhibitor/Supporter. In case of a default in the setup period of the opening of the event, the Organizer reserves the right to offer to another company or Congress any use, stand, space, or support item that has not been occupied by the event at the opening of the conference, with no obligation to provide compensation to the defaulting Exhibitor/Supporter.

INDEMNIFICATION
To the extent permitted by law, Exhibitor/Supporter agrees to defend, indemnify, and hold harmless the International Association for the Study of Pain, its officers, directors, agents, and employees from and against any and all claims, suits, liens, judgments, damages, losses and expenses, including reasonable legal fees and costs arising in whole or in part in any manner from acts, omissions, breach, or default of Exhibitor/Supporter in connection with performance of any work by Exhibitor/Supporter, its officers, directors, agents, employees, and subcontractors.
IASP 2022 World Congress on Pain

Code of Conduct

Guiding Principles When Securing Commercial Support
Exhibitors/Supporters must adhere to IASP’s guiding principles, including but not limited to IASP’s conflict of interest policy. Exhibitors/Supporters must be ethical, appropriate, and professional and must support IASP’s mission to improve pain relief worldwide through research, education, practice, and policy. IASP must maintain independence from the pain relief industry during the creation and delivery of any educational program and initiative. IASP strives to keep the Programs at IASP events free from commercial influence. If there is any commercial influence on a Program, such influence must be clearly stated and disclosed and should relate to the nature of the support (e.g., exhibit booth) and must be preapproved by IASP.

Alignment with Industry Codes of Conduct
Exhibitor/Supporter should adhere to both the spirit and the letter of the following industry codes as applicable to them, which are in alignment with IASP principles: International Federation of Pharmaceutical Manufacturers & Associations Code of Practice (IFPMA), Advanced Medical Technology Association Code of Ethics (AdvaMed), and the Pharmaceutical Research and Manufacturers Association Codes and Guidelines (PhRMA) or any further national adapted codes of conduct which supersede the international or regional one and relate to the venue of the Congress.
